

2017 3rd International Conference on Architecture, Materials and Construction (ICAMC 2017)

Amsterdam, Netherlands, 11-13 December, 2017

Conference Introduction

With the rapid development of science and technology, energy depletion, environmental degradation, opportunities and challenges both arise, the grim reality for us go deeply into what we need to build? What is the future of architecture, materials as well as construction?

ICAMC 2017 focus on research hotspot like green architecture, intelligent architecture, design of practicality and artistic, building materials, semiconducting materials, organic/polymer materials, nano-materials, composite materials, bio-materials and etc. It is a technical congregation where the latest theoretical and technological advances are presented and discussed. We expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject.

One Day Academic Visit and Tour in Amsterdam

Good News

1. Famous professor as Keynote Speaker

Prof. Eric J. Strauss, from Michigan State University, USA;

Prof. Marco Casini, SAPIENZA University of Rome, Italy;

Prof. Nuno Dinis Corti ços, Universidade de Lisboa, Portugal

Important Date

Submission Deadline:	Before October 10, 2017
Notification Date	October 30 2017
Registration Deadline	November 10, 2017
Conference Date:	December 11-12, 2017
One Day Academic Visit:	December 13, 2017

Call for Papers

Topics of interest for submission include, but are not limited to: **Civil and Structural Engineering:** Bridge Engineering; Building Structure and Bridge Engineering; Building Technology; Cartography and Geographic Information System; Coastal Engineering; Computational Mechanics; Computer Simulation and CAD/CAE; Concrete Structures; Construction and Control; Detection and Transformation; Disaster Prevention and Mitigation; Engineering Management; **Architecture and Urban Planning:** Architectural Design and Theories; Advanced Construction Materials; Aesthetics and Landscape; Architectural Design and Its Theory; Architectural Environment & Equipment Engineering; Architecture and Building Materials; Art Design and Landscape Architecture; Building Energy Saving Technology; **Materials Properties, Measuring Methods and Application:** Ductility, Crack Resistance, Fatigue, Creep-resistance; Fracture Mechanics, Mechanical Properties; Electrical Properties, and Magnetic Properties; Corrosion, Erosion, Wear Resistance; Non-Destructive Testing; **Materials Manufacturing and Processing:** Casting, Powder Metallurgy; Welding, Sintering, Heat Treatment ; Thermo-Chemical Treatment; Thin & Thick Coatings; Surface Treatment, Machining; Plastic Forming

Submission Methods

1. Electronic Submission System (.pdf):
<http://www.easychair.org/conferences/?conf=icamc2017>
2. Conference Email Address: icamc@cbees.net

Contact us

Conference Specialist: Ms. Ivy Hou
E-mail: icamc@cbees.net
Contact Tel: +852-3500-0137 (Hong Kong)
